

# Build a full stack future

## Apply to Amazon Future Engineer Scholarship program

The Amazon Future Engineer Scholarship awards 100 high school seniors with a \$40,000 scholarship for college, plus a guaranteed paid internship programming at Amazon.

For high school seniors seeking to continue their computer science education at a four-year college, the program can make all the difference for a bright and developing future. We want you to apply, and when it comes to a 2:1 opportunity like this, the juice may be worth the squeeze.

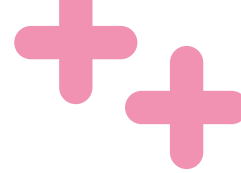

### Check out the eligibility requirements below:

- Completed a computer science course in high school
- Plan to pursue a bachelor's degree in computer science
- High school senior in the US
- US citizen or permanent resident

Employees and immediate family members of Amazon.com and its subsidiaries are not eligible to apply.

Ready for this double-sized opportunity?
